Dear

You are cordially invited to attend the Thursday evening meetings of the new local City-Wide STAR TREK Club: Star Base Andromeda. We, the members of the Andromedan Council, heartily invite you to join our club. We are presently holding meetings every Thursday evening (except April 11) from 6:00 to 8:00 p.m., at the Bennett Martin Library auditorium at 14th and "N" streets.

The City-Wide STAR TREK Club: Star Base Andromeda was officially created at 7:02 p.m. on February 7, 1974, with the ratification of our Conceptual Constitution, which detailedly outlines the structure of our club. Star Base Andromeda was organized to establish a local union of STAR TREK fans and to serve as an organization through which local people may obtain information regarding STAR TREK fan activities throughout the world.

The City-Wide STAR TREK Club is structured as follows. All of the members of Star Base Andromeda comprise the Andromedan Council, which is the administrative body of the club. Each member has exactly one vote, and decisions are made by majority vote.

The seven officers of the Executive Committee of Star Base Andromeda are: Presidio, Treasurer, General Manager, Projects Supervisor, Recording Secretary, Correspondence Committee Chairman, and Editor. The latter five officers are elected every six months, the Presidio every two months, and the office of Treasurer is a permanent office. The Presidio presides over the meetings held by this club.

A STAR TREK Slide Show is held at every meeting, during which members and visitors try to determine which episodes the slides are from. Various STAR TREK games, which can be played at club meetings, have been created. We are planning a Second City-Wide STAR TREK Meeting - with free admission to the public - hopefully for some time in the summer.

Star Base Andromeda is affiliated with the national STAR TREK and science-fiction club, the Quai-Starmerian Network. We intend to affiliate with various other national STAR TREK organizations, such as the STAR TREK ASSOCIATION FOR REVIVAL.

For further information, or if you are interest in joining

Star Base Andromeda, write to our Post Office Box (80064), or drop in at one of our meetings. We'd be happy to meet with you!

We hope you have enjoyed this introductory-type first issue of our local newsletter.

Until we hear from you, Live Long and Prosper in STAR TREK!

Richard R. Heim Jr. (Presidio)
Marvin J. Riedel (General Manager)
David G. Robinson (Projects Supervisor)
Nancy E. Munden (Correspondence Committee Chairman,
Treasurer)
David R. Lowery (Recording Secretary)
Agris Taurins (Editor)
Marvin Bishop
