The following are just a few of the area fan clubs/organizations you can join. The back page of this guide lists upcoming area conventions.

## CLUBS/ORGANIZATIONS

### **Star Base Andromeda**

[www.facebook.com/groups/starbaseandromeda/](https://www.facebook.com/groups/starbaseandromeda/) [38 members on FB]

Star Base Andromeda was founded, as *The City-Wide Star Trek Club: Star Base Andromeda*, in February 1974. We continue to meet weekly, celebrating our 40th anniversary last month, making SBA the oldest and longest-continually-meeting genre club in this region. Despite our origins as a *Star Trek* club, we quickly grew to embrace nearly every other genre fandom, including the worlds of SF/Fantasy literature. SBA meets every Tuesday night at *The Coffee House* in downtown Lincoln (1324 P St.), with near-monthly Book Discussions held at the UNL Student Union downtown. Visitors are always welcome – come join us in discussions of what you’ve been reading and watching lately - and connect with other area fans!
