Founded in 1974 as *The City-Wide Star Trek Club* of Lincoln, Nebraska, Star Base Andromeda has grown over the years to encompass a wide variety of different fandoms. From **Doctor Who**, classic **Star Trek**, **Space:1999**, **Blakes 7** and **The Prisoner** to today's hits like **The Dead Zone**, **Stargate SG-1**, **Enterprise**, **Red Dwarf**, **Farscape** and **Buffy/Angel**, Star Base Andromeda runs the gamut.

Operating out of Lincoln, SBA has had members from as far away as New Jersey join up to receive our monthly newsletter, *The Andromedan Log*, filled with information about club activities, reviews of recent genre books, tv shows or movies, and the latest breaking news about current series and future scifi projects. Our regularly scheduled meetings in Lincoln are opportunities to join with fellow fans from the Lincoln and Omaha areas for a few hours of fannish fellowship, trivia games, video watching and general good times.

If you're interested in joining, all the information necessary is listed below. Supporting members receive all club publications but are ineligible to hold any club office or vote in elections or on club business. Full members are eligible to hold office and vote. Or for a free sample issue of *The Andromedan Log*, send us a request with your name and address to our mailing address above.

You don't need to be a member of the club to take part in club gatherings, so if you live in the Lincoln/Omaha area, please feel free to drop in at one of our meetings at the Bennett Martin Public Library (4th floor), 14th & "N" Sts. Sundays from 2:00-5:00 or Tuesdays from 6:30-8:00.

## To Join Star Base Andromeda...
